Prom Tuxedo Rental Fundraiser

St. Henry High School

How would you like to save gas and time by not making 3 trips to a tux rental store – *plus* – make money for your school or organization?

Schraders Formalwear does all the leg work for you. We come to your school at pre-arranged times to help you select a tux and then be measured. A few days before Prom, we return to your school with the tuxedos for a final try-on. Payment is due at that time. When it is time to return the tux, we come to school on the Monday morning after the Prom to collect the tuxes.

Schraders Formalwear will donate \$10.00 to your school or organization for every tux package rented.
