MISSION:

St. Henry District High School is Northern Kentucky's largest Roman Catholic college-preparatory, co-educational high school. Serving the Diocese of Covington since 1933, our mission is to provide a well-rounded, college-preparatory education that teaches students to live the Catholic faith by embracing the Gospel message of Jesus Christ. SHDHS is an active faith community characterized by our five pillars of success: faith, scholarship, athletics, arts, and leadership.

St. Henry High School became a district high school in 1984 and serves students in grades nine through twelve. Students come from numerous counties in the Northern Kentucky area as well as adjacent counties in Indiana and represent our district elementary schools as well as other faith traditions.

Grade Point Calculation

When calculating GPA, St. Henry District High School will award quality points for all courses as follows.

Grade point averages will be calculated and rounded to two decimal points.

Grading Scale
During the 2020-2021 school year, a 10-point grading scale was implemented by the Diocese of Covington.

F	59-Below	

Class Rank

Due to our challenging college-preparatory curriculum and the relatively small size of our senior class, St. Henry District High School DOES NOT RANK students numerically. We believe that number is often misleading because small differences in grade point averages can produce significant differences in rank.

Multi-Tiered System of Support (MTSS)

St. Henry District High School uses a Multi-Tiered System of Support (MTSS) framework that recognizes the joint influence of academic, social, emotional, and behavioral needs on a student's overall educational performance. MTSS aims to address the needs of all learners by providing a continuum of support and intervention so our students can reach their fullest potential.

Academic Achievement through Intervention, Mentoring, and Support (AAIMS)

The AAIMS program at St. Henry District High School serves students who have been identified as having a mild to a moderate disability including but not limited to: cognitive, medical, psychological, or physical conditions that may interfere with their academic performance. Students may qualify for the program based on their academic testing and/or recommendation from their prior school. A student may earn up to four AAIMS credits during high school.

Crusader Check & Connect (CCC)

The CCC program at St. Henry District High School is an is an extension of our Multi-Tiered System of Support (MTSS). This program checks on the well-being of our students through a mutli-disciplinary approach. CCC encourages collaboration among teachers, students, parents, counselors, and mentors. The goal of the program is to take a positive interest in each student and proactively assess their needs. At-risk students are flagged through a weekly screening process and mentors are assigned to help them set goals for improvement and acknowledge positive progress along the way.
